

# Picture Pairs Blends

Print onto white paper. Cut out individual rectangles and mount on coloured card one eighth of an A4 sheet. Mount the pictures on one colour and the words on a different colour. Use as many cards as you need at one time.

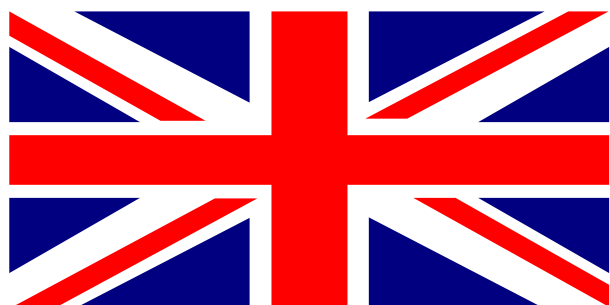

To Play

Lay the cards out face down in rows. Players to choose one card of each colour. If the picture and word match, keep the pair.

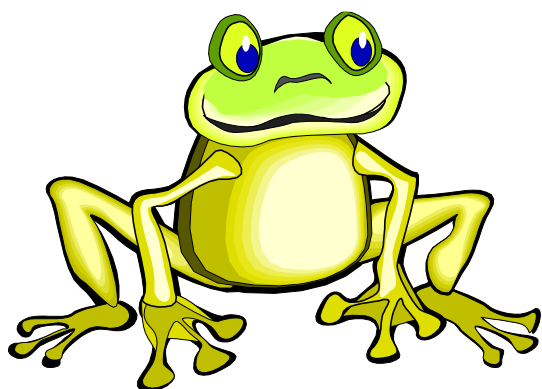

You could just ask a child to match pictures and words and time them.
